

More Than Words

Extreme

Listen to the song and choose the correct word in bold:

Saying 'I Love you' is not the **worlds** / **words**

I want to **here** / **hear** from you

It's not that I want you

Not to say but if you only **knew** / **new**

How easy it would be to show me how you **feel** / **few**

More than words

Is all you have to do to make it **real** / **reel**

Then you wouldn't have to **stay** / **say**

That you love me cause I'd **already** / **ready** know

What would you do if my **hart** / **heart** was torn in two

More than words to show you **feel** / **few**

That your love for me is **real** / **reel**

What would you say if I took those words **way** / **away**

Then you couldn't make / fake things **knew** / **new**

Just by saying I love you

La la ri la la ri la ri la la la , more than words

Now that I've **tried** / **cried** to

Talk to you and make you understand

All you have to do is **clothes** / **close** your eyes

And just **reach** / **each** out your hands

And touch me **gold** / **hold** me close

Don't ever **let** / **met** me go

More than words

Is all I ever needed you to **show** / **sow**

Then you wouldn't have to **stay** / **say**

That you love me cause I'd **already** / **ready** know

What would you do if my heart was **torn** / **thorn** in two

More than words to show you feel

That your love for me is **real** / **reel**

What would you say if I took those words **way** / **away**

Then you couldn't make things **knew** / **new**

Just by saying I love you
