

Never Let Go

Brian Adams

Can you lay your life down, so a _____ can live?
Can you take what you _____, but take less than you give?
Could you close every day, without the glory and _____?
Could you hold your head high, when _____ knows your name?
That's how _____ are made, at least that's what they say.

We say goodbye, but never let go
We live, we die, cause you can't _____ every soul
Gotta take every _____ to show that you're the kinda man who
Will never look _____, never look _____
And never let go

Can you _____ everything, you ever had planned?
Can you sit down again, and play another hand?
Could you _____ everything, for the chance of being alone?
Under _____ find the grace, would you come undone?
That's how _____ are made, at least that's what they say

We say goodbye, but never let go
We live, we die, cause you can't _____ every soul
Gotta take every _____ to
Show that you're the kinda man who
Will never look _____, never look _____

Never let go

Gotta take every _____ to show that you're the kinda man who
Will never look _____, never look _____
And never let go

We say _____, but never let go
We live, we die, cause you can't save every soul
Gotta take _____ chance to,
Show that you're the kinda man _____
Will never look back, never look down
And never let go

Will never look _____, never look _____
And never let go
Never let go.
