

Never Let Go

Brian Adams

Can you lay your life down,
so a stranger can live?
Can you take what you need,
but take less than you give?
Could you close every day,
without the glory and fame?
Could you hold your head high,
when no one knows your name?
That's how legends are made,
at least that's what they say.
We say goodbye, but never let go
We live, we die,
cause you can't save every soul
Gotta take every chance to,
show that you're the kinda man who
Will never look back, never look down
And never let go
Can you lose everything, you ever had planned?
Can you sit down again, and play another hand?
Could you risk everything,
for the chance of being alone?
Under pressure find the grace,
or would you come undone?
That's how legends are made,
at least that's what they say
We say goodbye, but never let go
We live, we die,
cause you can't save every soul
Gotta take every chance to,
show that you're the kinda man who
Will never look back, never look down
And never let go
Never let go
Gotta take every chance to,
show that you're the kinda man who
Will never look back, never look down
And never let go
We say goodbye, but never let go
We live, we die,
cause you can't save every soul
Gotta take every chance to,
show that you're the kinda man who
Will never look back, never look down
And never let go
Will never look back, never look down
And never let go
Never let go
