

# You and I Both

Jason Mraz

Was it you who spoke the \_\_\_\_\_  
That things would happen but not to me?  
Oh, things are gonna happen \_\_\_\_\_  
Oh, I'm taking your \_\_\_\_\_ and I'm looking on the bright side  
And balancing the whole thing.  
Oh, but at often times \_\_\_\_\_ words get tangled up in the lines  
And the bright light turns to \_\_\_\_\_  
Oh, until the dawn it brings  
Another day to sing about the \_\_\_\_\_ that was you and me  
Cause you and I both loved  
What you and I \_\_\_\_\_ of  
And others just read of  
Others only dream of, of the love  
Of the love that I loved  
See I'm all \_\_\_\_\_ them words  
Over numbers, unencumbered numbered words;  
\_\_\_\_\_ of pages, pages, pages for words.  
More words than I had ever heard, and I feel so alive.  
Cause you and I both loved  
What you and I \_\_\_\_\_ of  
And others just read of  
And if you could see me now. Oh, love love  
You and I, You and I  
Not so little you and I \_\_\_\_\_  
And with this silence brings a \_\_\_\_\_ story  
More \_\_\_\_\_ evolving is the glory of a boy  
'Cause you and I both loved  
What you and I \_\_\_\_\_ of (of, of)  
And others just read of, and if you could see me now  
Well, then I'm \_\_\_\_\_ finally out of  
I'm finally out of. Finally deedeedeedeedeede  
Well I'm almost finally, finally  
Well I am free Oh, I'm free  
And it's okay if you had to go away  
Oh, just \_\_\_\_\_ that telephones  
Well, they're working it \_\_\_\_\_ ways  
But if I never ever, never ever ever... hear them ring  
If nothing else I'll think the bells \_\_\_\_\_  
Have finally found you someone else and that's okay  
'Cause I'll \_\_\_\_\_ everything you sang  
'Cause you and I both loved  
What you and I spoke of (of,)  
And others just read of, and if you could see me now  
Well, then I'm \_\_\_\_\_ finally out of  
I'm finally out of. Finally deedeedeedeedeede  
Well I'm almost finally, finally  
Out of \_\_\_\_\_.
