

Heal the World

Michael Jackson

Think about the generations and they say: We want to make it a better place for our children and our children's children so that they know it's a better world for them. And think if they can make it a better place"

There's a place in your heart
And I know that it is love
And this place could be
Much brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow
There are ways to get there
If you care enough for the living
Make a little space, make a better place
Heal the world, make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make it a better place
For you and for me
If you want to know why
There's love that cannot lie
Love is strong
It only cares of joyful giving
If we try we shall see
In this bliss we cannot feel fear or dread
We stop existing and start living
Then it feels that always
Love's enough for us growing
Make a better world
Make a better world
Heal the world, make it a better place
For you and for me
And the entire human race
There are people dying

If you care enough for the living
Make a better place
For you and for me
And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly, be God's glow
We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn their swords into plowshares
We could really get there
If you cared enough for the living
Make a better space
To make a better place
Heal the world, make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me...

Make it a better place
You and for me
Heal the world we live in
You and for me
Save it for our children
