

Beautiful Day U2

The heart is a bloom
Shoots up through the stony -----
There's no room
No ----- to rent in this town
You're out of -----
And the reason that you had to care
The traffic is stuck
And you're not moving -----
You thought you'd ----- a friend
To take you out of this place
----- you could lend a hand
In return for grace
It's a beautiful day
Sky falls, you feel like
It's a beautiful day
Don't let it ----- away
You're on the road
But you've got no -----
You're in the mud
In the maze of her -----
You love this town
----- if that doesn't ring true
You've been all over
And it's been all over you
It's a beautiful day
Don't let it get away
It's a beautiful day
Touch me
Take me to that ----- place
----- me
I know I'm not a hopeless -----
See the world in green and blue
See China right in ----- of you
See the canyons broken by cloud
See the tuna fleets clearing the sea out
See the Bedouin fires at -----
See the oil fields at first light
And see the bird with a leaf in her -----
After the flood all the ----- came out
It was a beautiful day
Don't let it get away
Beautiful day
Touch me
Take me to that other place
----- me
I know I'm not a hopeless -----
What you don't -----, you don't need it now
What you don't -----, you can feel it somehow
What you don't -----, you don't need it now
Don't need it now
Was a beautiful day
