Episode 10 - Season 01
answer key

1. Why are they firing Stan Jacobson?

Because according to Tori, Stan lied about his credentials. He doesn't have any degrees, yet he's been working as an accountant for years.

2. Why is Harvey angry with Mike?

Because Mike always sympathizes with the clients and put the job in jeopardy.

3. What is a shelf company?

It's a corporation that exists only on paper, so its owners can hide their assets.

4. Why is Jessica's firm suing Tori?

Because she had been stealing money from the firm while doing accounting work.

5. Why can't Stan have his job back?

Because he has falsified his resume.
